Memo of Understanding, April Board Meeting

It is hereby recorded that on April 17th, due to lack of quorum, an official meeting of the Board of Trustees of the Catskill Public Library was not held.

Due to this, the official 2025 Voted Budget had to be unanimously approved via email. This enabled us to ensure approval before its due date, and due to unforeseen circumstances related to Trustees' absences.

This document stands as a record of such performances, and that it is during this meeting, May 15th, 2024 of the Board of Trustees of the Catskill Public Library, that they intend to fully ratify and approve said budget in person.
